

# The Temple Solomon Built

Lesson Theme: God's house is special.

---

## Materials:

- Duplo Legos—LOTS of them!
  - Ruler with centimeter markings
  - Masking tape
  - Paper and crayons
- 

## Bible Character: Solomon

---

## Bible Verse

"And I will live among the children of Israel in this Temple you are building. I will never leave the people of Israel."

1 Kings 6:13 ICB

---

## Bible Story

*My First Study Bible*, pp. 215–20, "I Built God's Temple"

### Story Application:

- God gave Solomon a pattern for building the Temple. "The Temple was 90 feet long and 30 feet wide. It was 45 feet high" (1 Kings 6:2 ICB). It is hard to imagine how big the Temple was. Remember, Solomon didn't have trucks and other machines to move the stones and wood he needed to make God's Temple!
  - Measure and tape off a 90-centimeter by 30-centimeter rectangle on the floor. That will be where you start your walls. Have each child build a stack of 24 Duplo Legos. Place the stacks on the tape and connect them together. Continue until your Temple walls are complete.
- 

## Craft

Have the children color their own temples.

---

## Closing Prayer

Dear God, thank You for a place to come and worship You.

# Parent Page

## Tt The Temple Solomon Built

Dear Parent,

Today your child heard the story of Solomon building the Temple. We

learned that God gave special plans for how His house was to be built. We built a smaller temple out of Legos.

**This week try these fun activities with your child:**

1

Have your child help you fold the laundry. Give specific directions, such as to fold the washcloths in half.

2

Build a tower of blocks with your child. Let him or her tell you which block should go where.

3

Learn Today's Verse:

"And I will live among the children of Israel in this Temple you are building. I will never leave the people of Israel."

1 Kings 6:13 ICB
