### Bible Character: Moses

### Bible Verse

### Bible Story

*My First Study Bible*, pp. 57-60, "God Saves My Friends"

#### Story Application:

- When the Israelites got to the Red Sea, it seemed there was no way for them to escape. God parted the Red Sea for them to escape. God's miracle showed the Egyptians that God was powerful and He could save the Israelites.
- Our God is so awesome! The stories in the Bible tell us of the miracles God has done. God performed a miracle by parting the Red Sea. Not only did God part the water, but He dried up the land so the people and their chariots could drive on it!
- Here is a bucket of sand. (Pour water in it.) This is what the bottom of the sea may have looked like when the water divided. Feel how soft the sand is. Would it be easy or hard to walk on this land? (Hard!)
- God took the water off the top of the sea AND He took the water out of the ground so the people could quickly escape from Egypt. What an awesome God!

### Craft

To remind us of how God took the water out of the sea and the land, we are going to color the parted sea and glue sand in the middle for dry land. Teacher, have the children color the sea first and then paint glue in the middle of the sea. Quickly sprinkle dry sand on the wet glue to create a path through the sea.

### Closing Prayer

Thank You, God, for showing me Your miracles in the Bible.
